- CSP- Mrs. Pink (90.20%)

Kindergarten Registration 2024-2025:

Registration for kindergarten students attending CCES in the fall has been moved up this year and *begins Friday, March 1st*. Please see the flier below. Children must be at least 5 years of age on or before September 1 to be eligible for kindergarten. We need the help of our community! The purpose of moving up registration is to allow us to plan for the fall more appropriately. Please help spread the word that while kindergarten registration is open all summer, it benefits CCES very much to have an accurate idea of the number of students we will have in the fall. Please, Please, Please, encourage your family members, neighbors, and community members to register soon! We have made the process as simple as possible. Please call Nicole Wachter for support 😊

A custodial parent (biological, adoptive, legal guardian) must register your child and certain documentation will be required at the time of registration (birth certificate, immunization records, proof of residence). Parents, please use this link to begin the registration process:

<https://registration.hcps.org/>. Although some of the registration process can be completed online, all parents will sign up for a time to come to school to meet with Mrs. Wachter to complete the registration process. To sign up for an appointment please click the link embedded in the email sent to your email address <https://calendly.com/nicwachter/registration>. Guardians are encouraged to bring your child to school when completing the registration process. Please help us spread the word to neighbors and community members who have kindergarten age children this fall.

Inclement Weather Days- Asynchronous Learning Days:

Harford County Public Schools has been approved to use Virtual Day Instruction for the next three (3) inclement weather days. This means the next 3 inclement weather days students will participate in asynchronous instruction from home. Your child's teacher will upload short lessons to Canvas for your child to access. Students and families may visit the [inclement weather page](#) on hcps.org for more information about virtual learning days, including [FAQs](#), resources for Canvas, and more. This page will be updated regularly with additional information; please check it often during this season. Pre-kindergarten will have backpacks sent home with inclement weather day activities.

Learn With Me:

Learn with Me is an opportunity designed for families to become immersed in the culture of our schools and become a part of the teaching and learning experience. Through these experiences, teachers and students will showcase the great work done daily. Due to the size of our classrooms and the number of people who will participate in these events, we will limit guests to parents only. Each parent must pre-register to attend. LWM Dates are shared within the calendar dates below, Specific details will be shared by your child's classroom teacher.
